The True Medicine for Lost Nervous Strength.

Without an Equal in Purifying and Enriching the Blood.

Great Cures Effected by Paine's Celery Compound.

What Scientific Research Has Accomplished.

There is one true specific for dis-eases arising from a debilitated nervous system, and that is the Paine's celery compound so generally pre-scribed by physicians. It is the most remarkable remedy that the scientific research of this country has produced.

latter Paine's celery compound has succeeded again and again where everything else has failed. Sufferers from neuralgia, neuralgic headaches and rheumatism should stop short their morphine, quinine and such pain-killing drugs. No cure can be hoped for from these temporizers. There is one way of getting rid forever of the causes of all this suffering; that is by taking Paine's celery compound. In the great modern remedy the real means to health is attended to; Is too often placed upon prescriptions sent out by druggists to cover up their ignorance or carelessness. There is a way of combining drugs that makes an elegant and palatable medicine, sure in its remedial effect. Or they may be thrown together in a careless, haphazard way, and only a dirty, muddy mixture, good for nothing, is the result. There are to be sure some prescriptions that canof the liver, kidneys and stomach, to guarantee a complete return of sound sleep, good digestion and a quiet, well-regulated nervous system.

DANA'S Sarsaparilla is not only the best of all remedies for the Nerves, Liver, Kidneys, Stomach and Blood; but if no benefit you can get your money back.
